

PARLIAMENTARY QUESTION

B/893 The Honourable Third Member for Stanley and Rose Hill
(Ms Ribot)

To ask Dr the Honourable Minister of Education and Human Resources:-

Whether, in regard to the case of child K.T.⁴ who swallowed caustic soda at the R. Sewpal Government School, in Chemin Grenier, on 11 June 2010, he will state if an inquiry has been carried out in the circumstances thereof, and if so, the outcome thereof?

REPLY FOR SITTING OF TUESDAY 15 NOVEMBER 2011

Mr Speaker, Sir,

I have been informed of that unfortunate incident whereby a pupil named K.T is reported to have swallowed caustic soda at R. Sewpal Government School in Chemin Grenier on 11 June 2010.

An enquiry has been carried out into the circumstances which led to that incident at school.

However, I wish to inform the House that in relation to the above case, a plaint with summons has been lodged by the responsible party of the child and the case is coming for mention before the Supreme Court on 26 January 2012.

As the matter is sub-judice, it is considered that it would not be proper for me to comment further on this case.
