Good evening

Thank you for giving me the opportunity of saying a few words on this special occasion. I welcome you all to this special event - the launching of the film **Jeena To Hai**. Special and cordial welcome to our overseas guests.

I congratulate everyone connected with the project, in particular, Mr Swadeck Mutoola. Tonight, for Swadeck, it is a dream come true. With the launching of the film, it is a milestone in the budding career of Swadeck.

Swadeck started his career in Professional Publicity Agencies upon the advice of Mr Salaam Ahmadi an important personality of our local audio-visual world. . Mr Ahmadi requested him to Mr Fareed Jangeerkhan in Viditech as Camera Operator in a Sun International Corporate Film. He later met Mr Christian Nayna from AVS production and was appointed as Associated Director of Photography.

I came across Swadeck and encouraged him to start studies in Software Engineering. As he was interested in film making. I also encouraged him to go for making corporate film for companies.

Later, he got an opportunity to work in local television at MBC in the production of the first TV serial in Mauritius “Voisin Voisine” with Gaetan Essoo. Having worked on this project as Chef de l’Image, he proceeded to Ireland for further studies in Networking. Afterwards, he joined French Union Press.

He then proceeded to UK for further studies. In London, he met the producer Ravi Chettiah and eventually joined him in making Bollywood films.

Having been exposed to international celebrities and while photographing them on the red carpet, his dream to have his fellow Mauritian brothers and sisters to enjoy the privilege of the launching of the film is now being realized.

The launching of the film, Jeena To Hai is a defining moment in the world of cinematography in Mauritius and for Swadeck

I wish Swadeck well. I also wish the producers and artists and everyone connected with this film a happy and successful journey in the world of film making.
