

List of Scarcity/Priority Fields of Study

S/n	Field of Study
1	Accountancy
2	Administrative Law
3	Advertising & Government Public Relations
4	Agricultural Business Projects Development
5	Agricultural Chemistry
6	Agricultural Economics and Project Management
7	Agricultural Engineering
8	Agricultural Processing Technologies
9	Agricultural System
10	Agrometeorology
11	Air & Space Law
12	Analysis of Heavy Metals
13	Analytical Chemistry with specialisation in Chromatography and Spectroscopic
14	Animal Breeding and Genetics
15	Animal Nutrition and Feed Technology
16	Animal Reproduction
17	Animal Science with Biotechnology
18	Application of EIS in Hydrology
19	Applied Plant Biotechnology
20	Aquaculture & Environment
21	Archaeology
22	Architecture with specialisation in Health Infrastructure
23	Architecture with specialisation in Energy Efficient Building
24	Architecture with specialisation in Renovation of Historical Building
25	Archives Administration
26	Audit
27	Automation and Control of Electro-Mechanical Systems
28	Bilateral Diplomacy
29	Biosafety-Risk Assessment

30	Boiler Construction and Maintenance for Hotwater Production in Hospitals
31	Building Services Engineering
32	Career and Vocational Guidance
33	Certified Information System Auditor
34	Certified Internal Auditor
35	Child Advocacy
36	Child Right Monitoring and Advocacy
37	Child Rights Law
38	Climate Change
39	Climate Change and Water Resources
40	Climatology
41	Coastal Engineering
42	Communication
43	Communications/Network Security/Computer Forensics
44	Competition Law
45	Composts Production
46	Computer Applications
47	Computer System Auditing
48	Conflict Resolution
49	Conservation
50	Conservation/Copyright
51	Containment Facility Management
52	Co-operatives
53	Corporate Governance and Corporate Social Responsibility
54	Courses covering Standards Certification and CSR for Cooperators and Social Enterprises
55	Court Procedures & Prosecution
56	Criminology
57	Crop Pest-Risk Analysis
58	Crop Production
59	Cultural Asset Management
60	Curriculum Development
61	Cyber Law
62	Dairy Science
63	Dairy/Meat/Fish Microbiology

64	Design of Centralised LPG gas and Mechanical gases system
65	Design of Plumbing System in high rise buildings
66	Development Economics
67	Digital Media Communications
68	Diplomatic Law: * Privileges & Immunities * Law of the Sea * Human Rights
69	Diplomatic Theory & Practice
70	Document Examination
71	Dramatics
72	Economics
73	Education Assessment/Evaluation
74	Education (Specialisation in Tertiary Education)
75	Educational Planning
76	Educational Psychology/Counselling
77	Energy Management
78	Energy Audit and Conservation
79	Environment Law
80	Environmental Economics
81	Environmental Engineering
82	Epidemiology
83	Events Management
84	Executive MBA for Engineers/Scientists
85	Finance with Risk Management
86	Financial Engineering - Stock Exchange, Futures, Stocks
87	Financial Management
88	Fire Engineering Science
89	Fire Fighting & Fire Detection Systems
90	Fire Investigation
91	Fire Safety/Fire Protection Engineering
92	Fire Service Management & Administration
93	Fish Quality Control & Quality Assurance
94	Fisheries Economics
95	Fisheries Management
96	Fisheries Policy & Planning
97	Fishing Gear Technology

98	Food Analysis
99	Food Technology
100	Forensic Ballistics
101	Forensic Biology/DNA
102	Forensic Toxicology & Chemistry
103	General Forensic Science
104	Genetically Modified Organisms
105	Geotechnical Engineering
106	Geographical Information System
107	Health & Nutrition
108	Health & Safety
109	Higher Education Management
110	Highway Engineering
111	Horticulture
112	Human Resource Management
113	Human Rights Law
114	Hydraulic Engineering
115	Hydrogeology
116	Hydroinformatics
117	Hydrological Database Management
118	Hydrology
119	Hydrology and Water Resources
120	Information and Communication Technology
121	Information Science/Management
122	Information Security
123	Information Systems
124	Information Technology
125	Integrated Farming Systems
126	Intellectual Property Rights (policies and practical application)
127	Interior Design
128	International and Regional Diplomacy
129	International Business/Financial Regulations
130	International Human Rights
131	International Humanitarian Law
132	International Information Technology/Media Communication
133	International Trade

134	International Trade Law
135	Investment - Public Private Partnership
136	IT Security/ Information Systems Security
137	Laboratory Equipment Maintenance
138	Laboratory Management
139	Landscape Architecture
140	Law and Management
141	Livestock Waste Management
142	Logistics & Supply Chain Management
143	Management Accounting
144	Management and Leadership in Engineering fields
145	Management Information System
146	Management of Science, Technology & Research
147	Marine Chemistry
148	Marine Engineering
149	Marine Environmental Management
150	Marine Policy
151	Marine Science
152	Maritime Affairs - Maritime Education & Training
153	Maritime Law
154	Maritime Law & Policy
155	Maritime Safety and Environmental Administration
156	Marketing Management
157	Mass Communication
158	MBA General
159	Meat Science and Technology
160	Media & Communication
161	Media & e-governance
162	Media Relations & Public Affairs
163	Media Reporting (English/ French)
164	Meteorology with Climate Change
165	Microbiology
166	Modelling (inc Multivariate analysis and Time Series analysis)
167	Multilateral Diplomacy
168	Multimedia Studies
169	Museology

170	Nautical Science/ Navigating Officer
171	Naval Architecture
172	Network Administration
173	Networking and Data Communications
174	Oceanography
175	Open and Distance Learning
176	Organic Farming
177	Pest Management
178	Plant Bacteriology/ Nematology/ Virology
179	Plant Breeding
180	Plant Genetic Resource Management
181	Plant Nutrition and Fertilisers
182	Plant Pathology with specialisation in molecular Diagnosis
183	Plant Quarantine
184	Port & Shipping Management
185	Preservation of Intangible Heritage
186	Procurement and Logistics
187	Procurement and Supply Management
188	Project Management
189	Psychology
190	Public Administration and Management
191	Public Finance/Budgeting
192	Public Relations
193	Public-Private Partnership
194	Purchasing and Supply Management
195	Quality Assurance
196	Quality Management
197	Radiation Protection
198	Real Estate/Valuation
199	Records Management
200	Refrigeration and Air Conditioning Engineering
201	Regional Intergration
202	Remote Sensing
203	Renewable Energy and Technologies
204	Renewable Energy Engineering
205	Research in Children Issues
206	Research Methodology

207	Risk Management
208	Heritage Management
209	Road Safety Engineering
210	Seed Technology
211	Seismology
212	Social Work
213	Sociology
214	Software Engineering
215	Solid Waste Management
216	Special Needs Education
217	Specialisation in Sports Statistics
218	Sports Administration and Sports Infrastructure
219	Sports Management
220	Sports Medicine
221	Sports Science/Fitness Recreation
222	Structural Engineering
223	Supply Chain Management
224	Sustainable Development
225	Tissue Culture for Plant Propagation
226	Tourism & Hospitality
227	Tracer Hydrology
228	Trade and Environment
229	Trade Policies in relation to environment and climate change
230	Trade Remedy Laws (Anti-dumping and countervailing measures - practical application)
231	Traffic Engineering
232	Traffic Planning & Design
233	Translation
234	Tropical Coastal Management
235	Urban Design
236	Vertical Transportation/Lift & Escalators
237	Veterinary Medicine
238	Veterinary Molecular Biology - Diagnostic (Biology and Virology)
239	W.T.O. Law
240	Wastewater & Drainage Engineering
241	Water and Environmental Law and Institutions

242	Water Resources Engineering/Management
243	Web Development
244	Web Technology
