

MINISTRY OF HEALTH & QUALITY OF LIFE

Code of professional ethics for evaluators at Ministry of Health & Quality of Life

All evaluators are required to sign up to the code of ethics when they join the Ministry of Health & Quality of Life to become members of Bid Evaluation Committees

As a member of a Bid Evaluation Committee, I will

- maintain the highest standard of integrity in all my evaluations;
- reject any practice which might reasonably be deemed improper;
- never use my authority or position for my own personal gain;
- enhance the proficiency and stature of the profession by acquiring and applying knowledge in the most appropriate way;
- foster the highest standards of professional competence for the assignment I am responsible for;
- optimize the use of resources which I have influence over for the benefit of the organization;
- comply with both the letter and the intent of:
 - the existing laws of the Republic of Mauritius,
 - agreed contractual obligations,
- declare any personal interest that might affect, or be seen by others to affect, my impartiality or decision making;
- ensure that the information I give in the course of my work is accurate;

- respect the confidentiality of information I receive and never use it for personal gain;
- strive for genuine, fair and transparent competition;
- not accept inducements or gifts or any other items;
- always to declare the offer or acceptance of hospitality and never allow hospitality to influence a decision;
- remain impartial during my work and not be influenced by those with vested interests;
- disclose any conflict of interest.
