

Communiqué

The Ministry of Health and Quality of Life is compiling its list of Non-Governmental Organizations (NGOs) which are involved, directly or indirectly, in matters relating to health, with a view to putting up and maintaining a Register of NGOs (Health).

The Register will be an important tool to facilitate the timely preparation and effective and efficient implementation of projects, programmes and activities jointly by the Ministry and the relevant NGO/NGOs.

In this respect, NGOs concerned are hereby invited to submit their details on the appropriate Registration Form which can be downloaded from the Ministry's website (<http://www.gov.mu/portal/site/mohsite>) or which can be collected from the Ministry, 5th floor, Emmanuel Anquetil Building, Port Louis, Room No 530.

All NGOs which are already working with the Ministry, except for those who filled in the Registration Form in response to the Communiqué issued on 26 October, 2010, have to submit their details.

The duly completed Registration Form should reach the Supervising Officer of the Ministry of Health and Quality of Life by 27 May, 2011 at latest.
