

**Government of the Republic of Mauritius
Ministry of Renewable Energy and Public Utilities**

**Expression of Interest
for
Enhancing Electricity Generation Capacity
on a BOO Scheme**

1. The Ministry of Renewable Energy and Public Utilities is initiating necessary steps to enhance electricity supply capacity in the coming years in addition to projects currently being considered.
2. In this context, the Ministry is inviting eligible private developers to indicate their interest in setting up a new power plant on a BOO scheme, based on any technology, of a total capacity of 100 MW in units not exceeding 50 MW
3. Interested developers must provide adequate information that they are qualified for the setting up of the new power plant including brochures, description of similar projects, experience.
4. The selection of the private operator will be made through open advertising (international) bidding in accordance with the Public Private Partnership Act.
5. Expression of Interest must be delivered to the Permanent Secretary at the address below by 15 00 hrs, local time, on Friday 20 February 2009.
