

Launching Of “L’Association des Parents de Déficiants Auditifs (APDA)” on the 17th of May 2008

In line with this year’s theme for the World Information Society Day 2008 which is “Connecting Persons with disabilities: ICT Opportunities for All”, the National Computer Board has launched the IC3 training targeted towards teachers, students and parents of “L’Association des Parents de Déficiants Auditifs (APDA)”. The official launch was made on the 17th of May 2008 by the Minister of Information Technology and Communications, Mr. E. Sinatambou, at Charles Renaud Sports Complex, Curepipe.
