## RODRIGUES REGIONAL ASSEMBLY

In principle, officers in the grades mentioned below should be eligible for 70% duty-free car for the performance of their duties as their counterparts in Mauritius. Given the specificity in Rodrigues, namely its size, topography and the nature of the work carried out by these officers, the Island Chief Executive should ensure that it would be more economical for officers in such grades to use their own cars instead of the organisation's cars.

<b>DEPARTMENT</b>	<b>GRADE</b>
<b>Chief Commissioner's Office</b>
