NOTES AND INSTRUCTIONS

The following notes and instructions are intended to assist in the completion of the application form for the registration of a radiation generator under the Radiation Protection (Registration of Radiation Sources and Facilities) Regulations 2009.

1. This application form should solely be used for the registration of a **single** radiation generator. Separate forms should be used for the registration of more than one radiation generator.
2. As stipulated in the above-mentioned Regulations, it is the responsibility of the owner of a radiation generator to apply for the registration of the radiation generator. In case where the radiation generator belongs to an Organisation, the application for the registration of the radiation generator shall, preferably, be made by the Head of the Organisation or the person responsible for radiation protection matters.
3. All sections of the application form must be duly completed.
4. The duly filled-in application form, accompanied by the appropriate non-refundable fee of Rs. 200 for the registration of a radiation generator as specified in Schedule 5(b) of the above-mentioned Regulations, should be submitted to:

**The Chief Radiation Protection Officer
Radiation Protection Authority
37, Saint Georges Street,
Port-Louis**

5. Payment of the application fee should be effected as follows:
 - (i) For Cash Payment
Cash payment will only be accepted at the office of the Radiation Protection Authority during working hours.
 - (ii) Payment by Cheque
Cheque should be crossed and made payable to "**Government of Mauritius**".
6. Copies of the application form are available at the office of the Radiation Protection Authority and may also be downloaded from the website of the Authority (<http://rpa.gov.mu>).
7. For any additional information, please contact the Radiation Protection Authority:
