

SIR SEEWOOSAGUR RAMGOOLAM RECREATION CENTRE

FOR SENIOR CITIZENS, BELLE MARE

A Haven for Seniors

The Sir Seewoosagur RAMGOOLAM, GCMG, THE Recreation Centre for Senior Citizens at Belle Mare is a luxurious complex set in a pleasant environment on a sprawling plot of land to provide a memorable retreat to our Senior Citizens far from the madding crowd.

Located along the turquoise eastern lagoon, the Sir Seewoosagur Recreation Centre promises to provide lots of fun around a well-thought programme of cultural activities, keep-fit exercises and informative talks and lectures.

Nestled in a compound of four acres of land, the complex comprises 40 De Luxe bedrooms with attached bathrooms. The rooms evoke a sense of privacy with an interior design focused on elegance and cosiness and provide easy access to a terrace enabling our Seniors to make the most of the refreshing sea breeze.

A modern kitchen with up-market cooking equipment has separate spaces for vegetarian and non vegetarian cuisines and also a multifunctional Dining Hall not only offers space for lunching and dining but also for staging cultural shows.

Other useful features include an easily accessed medical room with basic but essential drugs. Experienced nursing officers are also in attendance on a 24 hr basis to provide initial treatment in case of emergencies.

Also incorporated in the building is an appealing 'Boutique' to provide facilities to our users to purchase items of common use and other products manufactured locally.

The exterior compound has also been artistically landscaped with indigeneous plants in line with Government's policy to showcase Mauritius as a "Green Republic".

An inviting swimming pool also adorns the complex adding to its sumptuousness and beauty.
