UPDATED TIMETABLE FOR MARKET STUDY

The Competition Commission of Mauritius (CCM) launched a study of the market for cement in Mauritius on 01st July 2010. The following timetable has been set by the CCM in that respect.

01 July 2010	Market study start
	Information-gathering and initial interviews
22 nd October 2010	Preliminary Report
	Continuing information gathering
February 2011	Draft Report for consultation
	Incorporate comments/views received
June 2011	Submission of report to Commission
July 2011	Commission makes recommendations to Government

The CCM will be contracting several parties as part of its information gathering activities. Interested parties wishing to share relevant information are also welcome to contact the Commission.
