Service Running (http, pop)	

### Security Service

CERT-MU is providing this free service whereby information will be gathered from the above mentioned server for investigation. A report based on the above will be presented at the end of the investigation together with the recommendation of CERT-MU.

Tick the following to allow CERT-MU to conduct the scan.

**Free Remote Scanning**

Allow CERT-MU to conduct a general remote security assessment on the network in order to determine the state of the network security and free security advisory services.

### **Disclaimer**

I hereby agree to the above services offered by CERT-MU. I agree that CERT-MU shall not be liable for any direct, indirect, incidental, special, consequential or exemplary damages, including but not limited to, damages for loss of profits, goodwill, use, data or other intangible losses, resulting from any matter relating to the services.
