Session 7B

Paper 5 - Planning Exercise

Devising a Planning Question

- In small groups devise a planning question and a mark scheme for one of the topics given
- Hopefully we can find a way to collect, duplicate and distribute the ideas that we share

Devising a Planning Question

- Chose **one** of the following:
 1. a back-titration
 2. a rate of reaction
 3. a mass change on heating
 4. a reaction of two chemicals involving evolution and collection of a gas
 5. an equilibrium
 6. a periodic trend
